

Safer Recruitment Policy

Recruitment and selection process

To make sure we recruit suitable people, we have put the following steps in place during our recruitment and selection process to ensure we are committed to safeguarding and promoting the welfare of children.

Advertising

When advertising roles, we will make clear:

- Nurture Space's commitment to safeguarding and promoting the welfare of children.
- That safeguarding checks will be undertaken.
- The safeguarding requirements and responsibilities of the role, such as the extent to which the role will involve contact with children.
- Whether or not the role is exempt from the Rehabilitation of Offenders Act 1974 and the amendments to the Exceptions Order 1975, 2013 and 2020. If the role is exempt, certain spent convictions and cautions are 'protected', so they do not need to be disclosed, and if they are disclosed, we cannot take them into account.

Application forms

Our application forms will:

- Include a statement saying that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity relevant to children (where the role involves this type of regulated activity)
- Include a copy of, or link to, our child protection and safeguarding policy.

Shortlisting

Our shortlisting process will include -

- Consideration of any inconsistencies and look for gaps in employment and reasons given for them.
- Explore all potential concerns.

Once we have shortlisted candidates, we will ask shortlisted candidates to complete a self-declaration of their criminal record or any information that would make them unsuitable to work with children, so that they can share relevant information and discuss it at interview stage. The information we will ask for includes:

- o If they have a criminal history
- o Whether they are included on the barred list
- o Whether they are prohibited from teaching
- o Information about any criminal offences committed in any country in line with the law as applicable in England and Wales
- o Any relevant overseas information

Applicants will be asked to sign a declaration confirming the information they have provided is true.

We will also consider carrying out an online search on shortlisted candidates to help identify any incidents or issues that are publicly available online. Shortlisted candidates will be informed that we may carry out these checks as part of our due diligence process.

Seeking references and checking employment history

All applicants will need to provide **two references**. We will obtain references before interview. Any concerns raised will be explored further with referees and taken up with the candidate at interview.

When seeking references, we will:

- Not accept open references
- Liaise directly with referees and verify any information contained within references with the referees.
- Ensure any references are from the candidate's current employer and completed by a senior person. Where the referee is school based, we will ask for the reference to be confirmed by the headteacher/principal as accurate in respect to disciplinary investigations.
- Obtain verification of the candidate's most recent relevant period of employment if they are not currently employed.
- Secure a reference from the relevant employer from the last time the candidate worked with children if they are not currently working with children.
- Compare the information on the application form with that in the reference and take up any inconsistencies with the candidate.
- Resolve any concerns before any appointment is confirmed.

Interview and selection.

When interviewing candidates, we will:

- Verify candidates' identity, (have sight of valid Photo ID with address details)
- Probe any gaps in employment, or where the candidate has changed employment or location frequently and ask candidates to explain this.
- Explore any potential areas of concern to determine the candidate's suitability to work with children.
- Record all information considered and decisions made.

Pre-appointment vetting checks

We will record all information on the checks. Copies of these checks, where appropriate, will be held in individuals' personnel files. We follow requirements and best practice in retaining copies of these checks, as set out below.

New staff

All offers of appointment will be conditional until satisfactory completion of the necessary pre-employment checks. When appointing new staff, we will:

- Request a copy of valid identity (copy of passport / photo driving licence alongside a household bill to verify address)
- Obtain (via the applicant) an enhanced DBS certificate, including barred list information for those who will be engaging in regulated activity. We will obtain the certificate before, or as soon as practicable after, appointment, including when using the DBS update service. We will not keep a copy of the certificate for longer than 6 months, but when the copy is destroyed, we may still keep a record of the fact that vetting took place, the result of the check and recruitment decision taken.
- Obtain a separate barred list check if they will start work in regulated activity (as outlined in KCSIE) before the DBS certificate is available.
- Verify their right to work in the UK. We will keep a copy of this verification for the duration of the member of staff's employment and for 2 years afterwards.
- Verify their professional qualifications, as appropriate.
- Ensure they are not subject to a prohibition order if they are employed to be a teacher.

Nurture Space also reserve the right to carry out further additional checks, as appropriate, on candidates who have lived or worked outside of the UK. These could include, where available:

- obtain a letter from the professional regulating authority in the country where the applicant has worked, confirming that they have not imposed any sanctions or

restrictions on that person, and/or are aware of any reason why that person may be unsuitable to teach or work with children.

Existing staff

In certain circumstances we will carry out all the relevant checks on existing staff as if the individual was a new member of staff. These circumstances are when:

- There are concerns about an existing member of staff's suitability to work with children; or
- An individual moves from a post that is not regulated activity to one that is; or
- There has been a break in service of 12 weeks or more.

We will refer to the DBS anyone who has harmed, or poses a risk of harm, to a child or vulnerable adult where:

- We believe the individual has engaged in relevant conduct; or
- We believe the individual has received a caution or conviction for a relevant (automatic barring either with or without the right to make representations) offence, under the Safeguarding Vulnerable Groups Act 2006 (Prescribed Criteria and Miscellaneous Provisions) Regulations 2009; or
- We believe the 'harm test' is satisfied in respect of the individual (i.e. they may harm a child or vulnerable adult or put them at risk of harm); and
- The individual has been removed from working in regulated activity (paid or unpaid) or would have been removed if they had not left.

Agency and third-party staff

We will obtain written notification from any agency or third-party organisation that it has carried out the necessary safer recruitment checks that we would otherwise perform. We will also check that the person presenting themselves for work is the same person on whom the checks have been made.
